

LCI MOVEMENT 2019 PROGRAMS

Curriculum Program (Kindergarten – Grade 8)

This program is designed to meet the expectations of the Ontario Phys. Ed Curriculum, specifically the dance portion of the curriculum. The number of curriculum expectations being addressed area dependent on the length of program. This program can take place in a single day or multi-day format.

Just Dance Program (Kindergarten – Grade 8)

This program is designed to encourage creativity and comfort within a guided dance experience. Students will learn a dance piece with popular movements to current pop music favourites. This program is taught in a single day format, and often paired with the curriculum program for a multi-day experience.

Leadership Program (Grade 4 – Grade 12)

This program looks to encourage and recognize leadership skills through activities that are movement based. Skills such as communication, teamwork, positivity and creativity, among others will be addressed and explored. This program can place in a single day or multi-day format.

Advanced Movement Program (Grade 9 – Grade 12)

This program is designed to suit the needs of specialized high school dance classes. This class will include a warm-up, across the floor and a combination for the dancers. Most commonly taught styles are jazz, lyrical, contemporary and musical theatre. Other styles can be scheduled upon request. This program can take place in a single day or multi-day format.
